Paperlight

A free office suite, built from scratch on camera

Why build an office suite

- No subscription to pay
- Files stay on your computer
- Opens and saves the formats people send you

Four apps, one quiet desk

- Prose for documents
- Cells for numbers
- Deck for talks
- Jotbook for notes

04

The Swiss Grid design

Your files stay on this computer.

Live demo

- Write a script in Prose
- Total the views in Cells
- Plan the talk in Deck
- Keep notes in Jotbook

Thank you
