Video script

Working title, length target and the one idea a viewer should leave with.

Hook

The first fifteen seconds. Open on the moment that makes someone stay.

Setup

Why this matters now, in two or three sentences.

Main beats

1. First point, with the example you'll show on screen.
2. Second point.
3. Third point.

Outro

The takeaway, then what to watch next.

- [ ] Record A-roll
- [ ] Capture screen footage
- [ ] Write the description
